# Nationals Capture Two WALL STREET FROM CLEVELAND NAPS And Jump in Third Place

Cleveland, Ohio, Sept. 24.—Griffith piloted his Nationals back into third place in the American League today by grabbing a twin sketch

from Birmy's poor Naps, 5 to 2 and 5 to 0. A total of nine pitchers were used by the clubs during the afternoon's hostilities. Jim shaw doing by far the most effective work of the aggregation. The big kid allowed the Naps just four measly bingles in the second game and was always their master.

The real thriller of the afternoon was furnished by Collegian John Henry, who tripled in the Nationals' fifth of the opening battle with the sacks populated. Henry pickled the pill for keeps, and caused Birmy to decide that this was not Mitchell's good day.

### Herald Representative With Eastern A. C. in Cleveland Will Report the Big Series

HE Eastern Athletic Club, runners-up in the recent amateur champion-ship race of Washington, left for Cleveland, Ohio, last night, where they will meet the Street Cleaners' team in two games, Sunday aft-

The Street Cleaners finished second in the big Cleveland amateur tourney and the games are attracting a whole lot of attention in the Ohio city.

Just to show that the Washington amateurs are a game bunch of sports, it is only necessary to mention that the Eastern A. C. accepted a guarantee of the gate receipts instead of the necessary cash to defray the heavy travelers.

of the gate receipts instead of the necessary cash to describe the gate receipts instead of the necessary cash to be supposed.

If it rains or a small crowd turns out, the backers of the local club stand to lose about \$700. This amount was subscribed before the boys hopped aboard the 8:15 o'clock express last night.

John A Dugan, assistant sporting editor of the Washington Heraid, is the acting manager of the Eastern A. C. He will report the double-header for this paper and his account will be official.

As usual The Washington Heraid leads in all matters pertaining to amateur baseball in the District.
